Pre-Registration ends May 20th

This will be a Cowboy Action Shooting match following all Single Action Shooting Society rules. The emphasis of this match will be the shooting of black powder or substitutes. However, smokeless shooters are encouraged to participate just the same. There will be four stages in the morning, followed by a lunch, then three additional stages in the afternoon. If time permits and participants are interested there will be a single shot/lever action long range match (out to 200 yards) after the conclusion of the main match and awards ceremony.

Dry trailer
camping available
at the range.
